L'anglais pour voler
available on

Available on the Appstore, the collection of «In English, please» articles with the audio recordings when available. The application has recently been updated with the articles up to May 2019, offering more than 140 pages of aviation-related English practice right at your fingertips.

Listening comprehension word search Flight information

Listen to the audio recordings at <https://anglais-pour-voler.com/in-english-please/2020-iep/>, find the missing words in the text below, and place them in the grid. One dash is a word. Words can go horizontally, vertically, and diagonally in all eight directions. When the grid is completed, the first unused letters will spell out

a broad definition of flight information. Check the answers at the internet address mentioned above. If you are looking for more practice on this subject, turn to Eliot's Practice Paper #35 Shelter-In-Place Special edition n°5 at <https://anglais-pour-voler.com/practice/2020-pp-30-2/>.
